Abhishek R Nair

Program and System Officer @ Gravity | Computer Science Student
| Interested in developing web and games | AI & Machine Learning
Enthusiast

Thiruvananthapuram, Kerala, India

Summary

I'm Abhishek R Nair, a first-year Computer Science Engineering student at Mohandas College of Engineering and Technology, with a strong interest in programming, coding, and software development.

I began my journey in technology in 2021, gaining experience in programming languages such as Python, Java, HTML, CSS, C++, and C#. As I progressed, I expanded my skill set to include Web Development and Game Development, focusing on building practical and engaging projects.

I am enthusiastic about technology and committed to continuous learning and skill development.

Experience

Gravity | IEDC-MCET

5 months

Program and System Officer

January 2026 - Present (1 month)

Thiruvananthapuram, Kerala, India

Trainee at Gravity

September 2025 - January 2026 (5 months)
